

## **Para-Alpine Coaching/LTAD Pathway Implementation Workshop**

**Four Points Sheraton West - Calgary, Alberta**

**October 1 and 2, 2009**

As we move into the fourth year of Carving the Future, Alpine Canada Alpin is offering, by invitation, a two day workshop for Provincial Para-Alpine Coaches and High Performance leadership.

The goal over the two days will be to engage our provincial Para-Alpine technical leadership in the following areas:

- Athlete identification and recruitment
- Working with CADS and Club programs
- Transition from entry level through to provincial team
- Expectations of provincial team programs
  - Training
  - Competition
  - Athlete management
  - Program reporting
  - Provincial team coach professional development
- Coaching recruitment and development
  - Canadian Ski Coaching Federation (CSCF) Para-Alpine Pathway
- Creating a consistent approach across Canada
- Athlete tracking and the implementation of a national Para-Alpine points structure
- Transition from provincial to national development team

Ozzie Sawicki will facilitate the workshop, with contributors including:

- Jean Francois Rapatel – CPAST High Performance Director will be in attendance
- CPAST development team coaches will be present
- Keith Robinson will attend representing the CSCF to speak to coaching development and coach professional development
- Dr. Stephen Norris will be our guest speaker the evening of Thursday, October 1 and will focus on Para-program expectations and planning

Invitees will have flight costs covered (based on economy fares) and hotel costs covered based on double occupancy. The workshop will be held at the Four Points Sheraton West hotel. Please confirm your attendance and arrival and departure plans with Ozzie no later than September 7, 2009.

Questions on the workshop can be directed to Ozzie at (403) 651-4000 or via email at [info@pozitiveresults.ca](mailto:info@pozitiveresults.ca).
